

Service Center Application Form

Welcome to the Robinair Service Center Application process. As a leading provider of A/C Recovery, Recycling and Recharging Equipment, Robinair is always interested in qualified companies to service our equipment as the need arises. Please complete the application below and print a copy and fax it to 305-383-9055 and it will be forwarded to the Robinair Service Manager. Upon receipt of the application, the Service Manager will evaluate your information and contact you if additional service coverage is needed in your area.

Thank you for your interest in becoming an Authorized Robinair Service Center.
