

TIF9010A / TIF9020A

Electronic Charging Scale

The TIF Slimline scale has offered industry leading accuracy, performance, and price for years. With the introduction of the TIF9020a you now have the choice of getting the familiar usability and quality in either a 110 pound/50 kg. or 200 pound/100 kg. capacity. Both scales come with a durable blow molded case that includes an integrated handle, 9V battery, and a two year warranty.
