

## Robinair Smart Set Manifolds

Robinair smart set manifolds offer a unique hose set that helps prevent under hood tangles and reduces risk of hose damage. This unique hose set includes 42" high and low side hoses and a 72" charging hose. The new smart set manifolds are available in either brass or aluminum and come with manual couplers and are packaged in a convenient blow molded case for storage.

### 45001 – Automotive A/C Service Manifold with Hose Set

R134a Refrigerants

- Easy to read 2-1/2" adjustable gauges
- Durable brass manifold
- Improved faces seal valves, which provide a tight seal, less wear and improved flow
- 72" Yellow 1/2" ACME QS x 1/2" ACME charging hose
- 42" Red and Blue 14 mm x 1/2" ACME service hoses
- Low-side coupler, 90°, blue actuator
- Hi-side coupler, 90°, red actuator

### 47010 – Automotive A/C Service Manifold with Hose Set

R134a Refrigerants

- Easy to read 3-1/8" adjustable gauges
- Durable aluminum manifold block with brass fittings
- Improved faces seal valves, which provide a tight seal, less wear and improved flow
- 72" Yellow 1/2" ACME QS x 1/2" ACME charging hose
- 42" Red and Blue 14 mm x 1/2" ACME service hoses
- Low-side coupler, 90°, blue actuator
- Hi-side coupler, 90°, red actuator

### 60134 – Replacement hose set

- 72" Yellow 1/2" ACME QS x 1/2" ACME charging hose
- 42" Red and Blue 14 mm x 1/2" ACME service hoses
